

DUBAI DUKE LEADERSHIP WORKSHOP

Duke University Executive Education

All Great Leaders Have One Thing in Common

They constantly refine their approach. With the Dubai Duke Leadership Workshop, you'll learn to hone your leadership skills in an intense and supportive environment while capitalizing on your strengths and overcoming challenges. This program is perfect for high-level executives, managers with current or anticipated leadership responsibilities, and employees who lead and influence others in the course of their work.

- The program teaches six dimensions of leadership behavior that help you develop your core competencies and enhance your impact.
- Your colleagues will fill out a 360° assessment where you can analyze the results and apply them to your leadership technique.
- Work with instructors on a Leadership Action Design (LAD) to meet a current or upcoming leadership or business challenge.

Outcomes

- Become more intentional and strategic in your leadership
- Project empathy linked to your vision, values, and expertise
- Build coherence by clarifying roles, rules, and processes
- Exhibit optimism and enthusiasm to elicit innovation and excellence from others
- Provide the resources and support to encourage savvy risk-taking
- Lead effectively in times of change and crisis
- Create a cohesive team
