**US Citizens and Permanent Residents** may borrow federal Direct student loans (i.e. Subsidized/Unsubsidized Stafford loan, Graduate PLUS loan) and private student loans to cover the total cost of tuition & fees. Over the two academic year period a student may borrow up to \$105,057 (cost of tuition & fees) minus Corporate Tuition Assistance (CTA) and other financial assistance. This includes \$20,500 in federal Direct Subsidized/Unsubsidized Stafford Loans per academic year. A federal Direct Graduate PLUS or private student loan may be used to cover the difference between your Direct Stafford loans and your tuition & fees per academic year. Student loans will be distributed equally over the terms within each academic year.

**International students** may borrow up to their cost of tuition minus their deposit (\$103,000) and other financial assistance through the Coastal Federal Credit Union international student loan program. Student loans will be distributed equally over the terms within each academic year.

**IMPORTANT: If you have not applied for financial aid by the start of the Term 4 in academic year (1), then you cannot apply for aid in academic year (2) to cover prior academic year charges.**

Please note that all financial aid applicants will need to apply for student aid and submit the Fuqua EMBA Financial Aid Form for each academic if financing their MBA for all Terms. Also, we must consider Corporate Tuition Assistance (CTA) as a financial aid resource, which may impact student loan borrowing eligibility. CTA beneficiaries must indicate on the Executive MBA Financial Aid Form the anticipated CTA amount per term.
