

GEMBA Class of 2010

US Citizens and Permanent Residents can borrow Federal Stafford and Private/Alternative Education Loans to cover the total cost of tuition. Over the two years you can borrow up to \$135,500 (cost of tuition) minus Corporate Tuition Assistance (CTA) and other financial assistance. Please note that we have to consider Corporate Tuition Assistance as aid which may affect student loan eligibility. If you are receiving CTA, we will need to know how much CTA you will receive each term. If you will not get CTA until grades come in or paid directly to you, you will have \$0 CTA. You can indicate this on the EMBA Financial Aid Application. ***Please note you will need to submit the Fuqua EMBA Financial Aid Form for each academic year you are requesting financial aid.***
