Total Cost of Attendance				
	\$17,858.00	\$23,987.00	\$23,869.00	\$65,714.00

- This cost of attendance will be used as a budget that will determine the total amount of your Financial Aid eligibility.

-Student Medical Insurance Plan* is required for all Fuqua MMS students and is charged during the fall semester. It can be waived if you have other health insurance coverage. International students with an F-1 or J-1 visa are required to purchase this student medical insurance plan. The cost of this medical insurance is determined by the various age ranges that are set for this plan. This medical insurance amount reflects the average age (under 24) of a Fuqua MMS student. Please contact our Financial Aid Office if your Duke-sponsored Student Medical Insurance Plan cost is different from this amount. We will adjust your COA accordingly. The actual cost of the Student Medical Insurance Plan is established in late spring each year. The University Bursar's Office provides additional information regarding student medical insurance with fall tuition statements.

- MMS Association Fee is charged in full during the fall semester.

- Tuition, Health Fee, Graduate Activity Fee, and Graduate Recreational Fee are charged one-half of the total each semester (Fall/Spring).

Additional Considerations to Increase the Cost of Attendance

-Spousal Increase - Per student's request, we may increase up to 60% of living expenses (*This is only considered for Fuqua students whose spouse is living with them during their studies at Fuqua, not employed and not a student*)

-One -Time Computer Increase – Students must submit an invoice or quote for the price of the computer in order to receive this increase up to the \$2500.

- Math Review Course – This fee (\$780) can be added to the cost of attendance only after registration has been confirmed with the Admissions Office.

- Excel Review Course - This fee (\$780) can be added to the cost of attendance only after registration has been confirmed.

-Study Abroad Expenses (i.e. Exchange, GATE, Global Consulting Practicum) – Students can apply for this increase once they have been approved for the trip. The student will need to submit a financial aid application and apply for the additional funding with his/her lender based on the budget of the trip.

-Loan Fees – Loan fees may be factored into the cost of attendance on individual basis.

-Duke Student Health Insurance Family Coverage – This increase may be made to the cost of attendance when proof of coverage is presented to the Financial Aid Office.
