

FUQUA STUDENT REGISTRATION IN A NON-FUQUA COURSE

Any Fuqua student who wants to audit or register for a Non-Fuqua Duke course must submit this completed form -signed by the professor- to a Fuqua Registrar for approval.

Things to consider:

- *Duke courses are set up on the semester system. Consult the other school's academic calendar for possible scheduling conflicts (for both Fuqua terms).*
- *Courses taken which contribute towards an MBA degree must be approved.*
- *You may take up to 4 approved courses (12 CREDITS) outside of Fuqua School of Business -2 (6 CREDITS) may be undergraduate.*

**** Fuqua students may also take classes at UNC, NC State, or NC Central under our inter-institutional registration agreement (separate form required).*

Student and Requested Course Information
