Total Cost of Attendance

**Federal Loan Fees** are automatically added to the budget assuming the student is borrowing the maximum Unsubsidized and Graduate PLUS Loan offer. If a private/alternative loan is borrowed these fees will have to be reduced or removed.

***The Student Loan Borrowing Limit** will be reduced by any other financial aid received (i.e. scholarships, sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

Students who are receiving Veterans Benefits may be able to apply for student loans up to the full COA in addition to their VA benefit. Please contact our Financial Aid Office for further information.

Additional Considerations to Increase the Cost of Attendance

Students must request these additional considerations in writing.

Federal Student Loan Programs (i.e. Graduate PLUS Loan) may be used for the following increases:

- One-Time Computer Increase - Students must submit an invoice or quote for the price of the computer in order to receive this increase up to the $2,000.

- Increase for Family Expense - Requests for budget adjustments are considered on a case-by-case basis.
  - Single Parents - Up to a $1,100 (per month) allowance may be factored for certified Dependent/Childcare expenses per child.
  - Married and Spouse is working or in school - Up to a $550 (per month) allowance may be factored for certified Dependent/Childcare expenses per child.

Note: Through federal student loan programs, we cannot consider the cost of childcare for a married student whose spouse is an at-home parent. However, if the student is borrowing a private student loan, then we may consider the cost of childcare when the spouse is an at-home parent.

Please contact our office for details regarding the regulations and documentation required for a Dependent/Childcare allowance.

Private Student Loan Programs ONLY may be used for the following increases:

- Non-Allowable Cost of Attendance Adjustments: Expenses incurred for interview activities coordinated by Fuqua (i.e. Weekend-In-Cities) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum. Please Note: Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
