**US Citizens and Permanent Residents** may borrow federal Direct student loans (i.e. Unsubsidized loan, Graduate PLUS loan) and private student loans to cover the cost of attendance. Over the two academic year period a student may borrow up to the cost of attendance, minus other aid (i.e. scholarships, sponsorships, Corporate Tuition Assistance-CTA, other student loans). This includes \$20,500 in federal Direct Unsubsidized Loans per academic year. A federal Direct Graduate PLUS or private student loan may be used to cover the difference between your Direct Unsubsidized loans and cost of attendance per academic year. Generally, student loans are distributed equally over the terms within each academic year.

**All financial aid applicants will need to apply for student aid and submit the Fuqua EMBA Financial Aid Form for each academic year if financing their MBA for all Terms. Also, each Term has a loan disbursement date (federal regulations states that loan funds must disburse no earlier than ten days before the start of class, per Term). Our office provides these dates to the lender so that they may disburse funds directly to the University, appearing on your student Bursar account.**

**Concentrations, Electives, & Certificates:**

Please note that financial aid (i.e. loans, scholarships, etc.) administered by Fuqua is only applied to the required Terms and costs associated with the MBA degree. Therefore, optional Terms and costs for concentrations, electives (that are not a part of the degree curriculum), and certificates (i.e. HSM Certificate) are not covered by any financial aid.

\*NOTE: The established living expenses of this COA are results of an annual Duke University survey completed by Duke students receiving financial aid (i.e. student loans). The Financial Aid Office uses the survey results to establish a "student budget" and determine eligible borrowing amounts. The living expenses are based on the monthly living expense allocation for the residential Daytime MBA program in Durham.

\*\*Federal Loan Fees are automatically added to the budget assuming the student is borrowing the maximum Unsubsidized and Graduate PLUS Loan offer. If a private/alternative loan is borrowed these fees will have to be reduced or removed.

\*\*\*The Student Loan Borrowing Limit will be reduced by any other financial aid received (i.e. scholarships, sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

**Students who are receiving Veterans Benefits** may be able to apply for student loans up to the full COA in addition to their VA benefit. Please contact our Financial Aid Office for further information.

**Additional Considerations to Increase the Cost of Attendance**

Students must request these additional considerations in writing.

**Federal Student Loan (i.e. Graduate PLUS Loan) or Private Student Loan programs may be used for the following increases:**

**Computer Expense:** If you are interested in applying for student loans to help cover computer costs, and not using the Fuqua Managed laptop program, please provide us with a printout of the computer description and the estimated cost from a reputable site (i.e. Best Buy). Fuqua Managed laptops must be approved by the program manager. This increase to your cost attendance is up to \$2,000.

**Airfare Expense:** Submit a copy of your itinerary from any online site (i.e. Travelocity, Orbitz, etc.) showing the departure/arrival dates and the estimated airfare. The itinerary should be for each Term within the respective academic year. Submit this request each academic year. We will only consider coach/economy class (not business economy or first class).

Please note that once we increase your borrowing eligibility by the airfare/computer expense, the funds for these expenses are typically disbursed in the first Term of the academic year. The loan amount will disburse to your student Bursar account to satisfy any outstanding balance. Subsequently, since the loan amount is expected to reflect as an overpayment (credit amount) on your student Bursar account, the University Bursar's Office (billing office) will eventually issue a refund to you. The refund amount is what you will use to cover your airfare/computer expense.

**Increase for Family Expense** - Requests for budget adjustments are considered on a case-by-case basis.

- **Dependent/Childcare - Up to a \$1,268 (per month) allowance** may be factored for certified Dependent/Childcare expenses per child.

Please contact our office for details regarding the regulations and documentation required for a Dependent/Childcare allowance.

**Non-Allowable Cost of Attendance Adjustments:** Expenses incurred for interview activities coordinated by Fuqua (i.e. Weekend-In-Cities) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum. **Please Note:** Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
