Note: Through federal student loan programs, we cannot consider the cost of childcare for a married student whose spouse is an at-home parent.

However, if the student is borrowing a private student loan, then we may consider the cost of childcare when the spouse is an at-home parent. Please contact our financial aid office for further information.

Private Student Loan Programs ONLY may be used for the following increases:

- One-time travel expense (i.e. airfare) During the academic year, usually during the winter break, students may return home. Per the student’s written request, we will consider a one-time cost of attendance increase for travel expense (for the student only), which increases the eligible borrowing amount.

Airfare Expense: Students must submit a copy of their itinerary from any reputable online site (i.e. Expedia, Travelocity, Orbitz, etc.) showing the departure/arrival dates, destination in your home state (domestic students) or home country (international students) as indicated in DukeHub, and the estimated airfare. Students must request additional supporting documentation beyond those originally submitted. Per student’s request and depending on special circumstances, we may consider an additional of living expense increase up to 60% of the standard living expense allocation (This is only considered for Fuqua students whose spouse is living with them during their studies at Fuqua, not employed and not a student).

Non-Allowable Cost of Attendance Adjustments: Expenses incurred for interview activities coordinated by Fuqua (i.e. Weekend-in-City) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum. Please Note: Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
