### Additional Considerations to Increase the Cost of Attendance

**Student Medical Insurance Plan** is required for all Fuqua Daytime MBA students and is charged during the fall semester. It can be waived if you have other health insurance coverage. Please contact our Financial Aid Office if your Duke-sponsored Student Medical Insurance Plan cost is different from this amount. We will adjust your COA accordingly. The actual cost of the Student Medical Insurance Plan is established in late spring each year. The University Bursar’s Office provides additional information regarding student medical insurance with fall tuition statements.

**The Student Loan Borrowing Limit** will be reduced by any other financial aid received (i.e. scholarships, sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

**Depending on the lender,** the International Student Loan borrowing eligibility allows students to borrow up to 100% of their cost of attendance, minus any other aid (i.e. scholarships, sponsorships, other student loans), not to exceed the lender’s aggregate program maximum.

**Non-Allowable Cost of Attendance Adjustments**

- Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.

- If you have other health insurance coverage, please contact our office for details regarding the regulations and documentation required for a Dependent/Childcare allowance.

- If you are employed, have other student loans, or the International Student Loan borrowing eligibility allows students to borrow up to 100% of their cost of attendance, minus any other aid (i.e. scholarships, sponsorships, other student loans), not to exceed the lender’s aggregate program maximum.
