NOTE: The established educational supplies and living expenses of this COA are results of an annual Duke University survey completed by Duke students receiving financial aid (i.e. student loans). The Financial Aid Office uses the survey results to establish a "student budget" and determine eligible borrowing amounts.

*Student Medical Insurance Plan (SMIP) is required for all Fuqua Daytime MBA students and is charged during the fall semester. It may be waived if you have other health insurance coverage. International students with an F-1 or J-1 visa are required to purchase this student medical insurance plan. Please contact our Financial Aid Office if your Duke-sponsored Student Medical Insurance Plan cost is different from this amount. We will adjust your COA accordingly. The actual cost of the Student Medical Insurance Plan is established in late spring each year. The University Bursar's Office provides additional information regarding student medical insurance with fall tuition statements.

**The Student Loan Borrowing Limit will be reduced by any other financial aid received (i.e. scholarship, sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

***The International Student Loan Borrowing Eligibility (90% of COA) allows students to borrow up to 90% of their cost of attendance (depending on the lender), minus any other aid (i.e. scholarship, sponsorships, other student loans).

Additional Considerations to Increase the Cost of Attendance

One -Time Computer Increase - Students must submit an invoice or quote for the price of the computer in order to receive this increase up to the \$2,000.

Summer Math Review Course - This fee (\$950) can be added to the cost of attendance only after registration has been confirmed with the Director of Quantitative Assessment and Academic Preparation.

The International Student Bootcamp - Per student's request, we will increase the COA by \$4,000 charge.

Study Abroad Expenses (i.e. Exchange, GATE, Global Consulting Practicum) - Students can apply for this increase once they have been approved for the trip. The student will need to submit a financial aid application and apply for the additional funding with his/her lender based on the budget of the trip.

Increase for Family Expense - Requests for budget adjustments are considered on a case-by-case basis.

- **Dependent/Childcare Expense for Students who are:**

1) **Single w/child(ren)** - Up to a \$9,792 allowance may be factored for certified Dependent/Childcare expenses per child.

2) **Married w/child(ren)** - Up to a \$4,896 allowance may be factored for certified Dependent/Childcare expenses per child.

Please contact our office for details regarding the regulations and documentation required for a Dependent/Childcare allowance.

- **Duke Student Health Insurance Family Coverage:** This increase may be made to the cost of attendance when proof of coverage is presented to the Financial Aid Office.

Statements and explanations provided by the student for immediate family expenses do not constitute supporting documentation for budget adjustments.

Depending on the reason for the increase request, and in order for the Financial Aid Office to determine if an increase is allowable, students may be asked to submit additional supporting documents beyond those originally submitted. Per student's request and depending on special circumstances, we may consider an additional of living expense increase up to 60% of the standard living expense allocation (This is only considered for Fuqua students whose spouse is living with them during their studies at Fuqua, not employed and not a student).

Non-Allowable Cost of Attendance Adjustments: Expenses incurred for interview activities coordinated by Fuqua (i.e. Weekend-In-Cities) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum. **Please Note:** Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
