Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.

The International Student Loan Borrowing Limit will be reduced by any other financial aid received (i.e. scholarship, sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

**The International Student Loan Borrowing Eligibility (90% of COA)** allows students to borrow up to 90% of their cost of attendance (depending on the lender), minus any other aid (i.e. scholarship, sponsorships, other student loans).

Additional Considerations to Increase the Cost of Attendance

One-Time Computer Increase - Students must submit an invoice or quote for the price of the computer in order to receive this increase up to the $2,000.

The International Student Bootcamp - Per student's request, we will increase the COA by the $2,000 charge.

Global Academic Travel Experience (GATE) Expenses - Students can apply for this increase once they have been approved for the GATE trip. The student will need to submit a financial aid application and apply for the additional funding with his/her lender based on the budget of the trip.

Increase for Family Expense - Requests for budget adjustments are considered on a case-by-case basis.

  - Dependent/Childcare Expense for Students who are:
    1) Single w/child(ren) - Up to a $11,968 allowance
    2) Married w/child(ren) - Up to a $5,984 allowance

Please contact our office for details regarding the regulations and documentation required for a Dependent/Childcare allowance.

Non-Allowable Cost of Attendance Adjustments: Expenses incurred for interview activities coordinated by Fuqua (i.e. Weekend-In-Cities) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum.

Please Note: Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
