---

**NOTE**: The established educational supplies and living expenses of this COA are results of an annual Duke University survey completed by Duke students receiving financial aid (i.e., student loans). The Financial Aid Office uses the survey results to establish a “student budget” and determine eligible borrowing amounts.

- **Student Medical Insurance Plan**: Only for Fuqua students and is charged during the fall semester. It can be waived if you have other health insurance coverage. International students with an F-1 or J-1 visa are required to purchase this student medical insurance plan. Please contact the Financial Aid Office if your Duke-sponsored Student Medical Insurance Plan cost is different from this amount. We will adjust your COA accordingly. The actual cost of the Student Medical Insurance Plan is established in late spring each year. The University Bursar’s Office provides additional information regarding student medical insurance with fall tuition statements.

- **International Student Loan Borrowing Limit**: Will be reduced by any other financial aid received (i.e., scholarship, Sponsorships, other student loans). This cost of attendance will determine the total amount of your Financial Aid eligibility.

- **Dependent/Childcare Expense for Students who are**:
  - Married and have child(ren) - Up to $6,983
  - Single and have child(ren) - Up to $13,966

- **International Student Loan Borrowing Eligibility - no cosigner (Upto 100% of COA)**: For students whose spouse is living with them during their studies at Fuqua, not employed and not a student.

- **Non-Allowable Cost of Attendance Adjustments**: Expenses incurred for interview activities coordinated by Fuqua (i.e., Weekend-in-Cities) and general interview trips are not considered for financial aid purposes because they are not standard requirements within the curriculum. Please Note: Due to Federal Law, personal consumer debt (i.e., credit cards, car loans, etc.) cannot be factored into the cost of attendance.
