### US Citizens and Permanent Residents

May borrow federal Direct student loans (i.e. Unsubsidized loan, Graduate PLUS loan) and private student loans to cover the total cost of tuition & fees. Over the two academic year period a student may borrow up to $130,025 (cost of tuition & fees minus other aid (i.e. scholarships, sponsorships and other tuition assistance). This includes $20,500 in federal Direct Unsubsidized Loans per academic year. A federal Direct Graduate PLUS or private student loan may be used to cover the difference between your Direct Unsubsidized loans and your tuition & fees per academic year. Generally, student loans are distributed equally over the terms within each academic year.

### International Students

The Fuqua School of Business offers both cosigner and no-cosigner international student loan opportunities. For more information about the cosigner and no-cosigner loan options, please access Duke University’s Recommended Lenders link:

**Cosigner Options:** Loans with a U.S. cosigner typically offer a lower interest rate. The U.S. cosigner must be a creditworthy citizen or permanent resident. Keep in mind that for some lenders, a student must have a social security number in addition to having a cosigner.

**No-Cosigner Options:** International students using a no-cosigner loan option may borrow up to 90 percent of their tuition cost & fees minus other aid, i.e. scholarships, sponsorships and other student loans, through a no-cosigner International Student Loan program. This means that over the two academic year period a student may borrow up to $117,023 (subject to change based on individual lender’s aggregate loan limit), which will be distributed equally over the billing terms within the academic program (~$23,404 per Term).

Should a student request to borrow the no-cosigner loan to help cover other qualified educational expenses, please see the Estimated Cost of Attendance and Borrowing Eligibility in the “Loans for International Students” on the following site.

You may use a private student loan (U.S. Citizen/Permanent Resident cosigner required) to apply for the entire tuition and fee amount.

*Please note that all financial aid applicants will need to apply for student aid and submit the Fuqua EMBA Financial Aid Form for each academic year if financing their MBA for all Terms. Also, each Term has a loan disbursement date (federal regulations states that loan funds must disburse no earlier than ten days before the start of class, per term). Our office provides these dates to the lender so that they may disburse funds directly to the University, appearing on your student Bursar account.*

The Corporate Tuition Assistance (CTA) is considered a financial aid resource and may impact student loan borrowing eligibility. CTA beneficiaries must indicate on the Executive MBA Financial Aid Form the anticipated CTA amount per term.

**Concentrations, Electives, & Certificates:**

Please note that financial aid (i.e. loans, scholarships, etc.) administered by Fuqua is only applied to the required Terms and costs associated with the MBA degree. **Therefore, optional Terms and costs for concentrations, electives (that are not a part of the degree curriculum), and certificates (i.e. HSM Certificate) are not covered by any financial aid.**
