**\*Please note that other considerations for the Cost of Attendance must be requested in writing, documenting proof of expenses (i.e. receipts, invoices, pre-order request forms)**

*In some cases, when a student is unexpectedly terminated from their job, we may consider increasing their cost of attendance by a monthly living expense (which is based on the monthly room and board rate in Durham for our Daytime MBA students). **We do not consider the living expense if a student voluntarily leaves their job or was already aware of a temporary assignment.***

### Concentrations, Electives, & Certificates:

*Please note that financial aid (i.e. loans, scholarships, etc.) administered by Fuqua is only applied to the required Terms and costs associated with the MBA degree.*

**Therefore, optional Terms and costs for concentrations, electives (that are not a part of the degree curriculum), and certificates (i.e. HSM Certificate) are not covered by any financial aid.**
