

Master of Management Studies (MMS): Duke Kunshan University

Class of 2018 Employment Report

Program Description

The [Master of Management Studies: Duke Kunshan University](#) program is an intensive 10-month program designed to provide students with 0-2 years' work experience a foundation in business fundamentals and exposure to the two largest economies in the world – the US and China. As a pre-experience graduate degree in business, the MMS program offers the integration of a rigorous business curriculum with students' prior training in the liberal arts and sciences. In addition to learning core business skills, students build critical thinking, cultural sensitivity and communication skills to enable them to ask the right questions, generate insights, and present solutions effectively in this increasingly international business environment.
